Re: In the Matter of The Pay Telephone Reclassification and Compensation
Provisions of the Telecommunications Act of 1996, CC Docket 96-128

Dear Ms. Dortch:

Rock Hill Telephone Company d/b/a Comporium Communications ("Rock Hill") submits this letter and accompanying certification as record that Rock Hill is not a "Completing Carrier" as that term is defined in the Commission's Order in CC Docket 96-128 ("Order")¹, released on October 3, 2003, respecting the obligations of Completing Carriers to provide certain compensation and reporting to payphone service providers (PSPs), replacing the Commission's interim compensation rules effective July 1, 2004.

As Rock Hill is not a Completing Carrier nor does it handle the types of calls the Commission has specified as being subject to both compensation and reporting to PSPs, Rock Hill is not subject to such requirements at this time. If Rock Hill's operations are altered to the extent that Rock Hill necessarily becomes a Completing Carrier, Rock Hill intends to fully comply with the Commission's rules pertaining to this and all other payphone compensation and reporting matters.

Sincerely,

Matthew L. Dosch
Vice President of External Affairs
